

Hello SOSUNS ATHLETES,

I hope you are enjoying TERM 3 sport and catching up socially.

We have a few **vacancies** across our sports programs.

Please get in touch if you are interested in trying a new sport or want to give an EOI for new sessions – even if not on the list. The list below shows sports where there *may* be availability. Why not let friends know about what’s on offer at our club? As with all our programs the coach & coordinator will have the final say after any trial.
